Welcome to Kids Corner

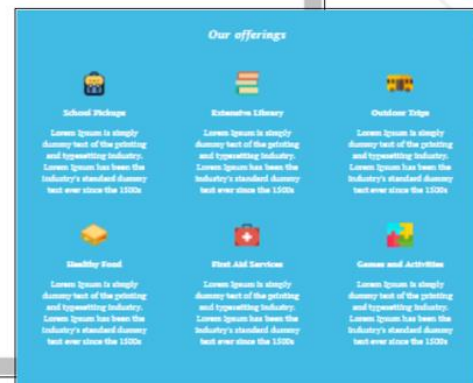

The Heart's Kids Club provides lots of fun activities with an educational twist. Kids can join for free and will receive a goody bag and a membership card on induction. Each workshop will be interactive, educational, and will introduce children to important concepts that they will really enjoy. Children must be accompanied by a responsible adult at all times and workshop places are available on a first come, first served basis.

If you are parent looking for a place where your child will grow the best, look further, talk to us now.
